

Avery William Tromans

June 27, 1961 - February 4, 2022

TROMANS, Avery William, Boularderie Center

We the family sadly announce the peaceful passing of Avery Tromans, age 60, on Friday, Feb. 4, 2022. Avery was born in Big Bras d'or on June 27, 1961, and resided in Boularderie. He was the son of the late Benjamin Tromans, and Joan MacLean. Besides his parents, he is predeceased by his sister Debbie (Gilbert) MacDonald. Avery is survived by brothers Liam (Jude) Chemainus, BC, and Maurice, Boularderie; sisters Bernadette Snow, Boularderie and Rosalie (Freeman) MacDonald, Sydney. He is also survived by nephews Michael and Bradley, nieces Irene, Lisa and Amanda. He was well known for being a very hard worker, creative and inspirational to others. He was a carpenter by trade and began honing his carpentry skills at a very early age. He loved working in the woods and living in the country. He had a deep passion and connection for all things music related, enjoyed his record collection and playing guitar. He always found meaning in the simplest of things, and always looked for the silver lining in every cloud. He loved reading, and was an avid story teller who could spin a tale with the best of them. He had a keen sense of humour, and could always make you laugh. He loved nature's vastness and he had a profound respect for all things nature. He was a true pioneer at heart and enjoyed travelling, exploring, hiking, family cook outs and barbeques. A special thanks goes out to the VON, Palliative Care, as well to his companion, Karen Huns Burger, Boularderie, and friend Sylvester Paul,

and his family, Eskasoni. In light of Avery's wishes there will be a family service and burial at a later time. Online condolences may be sent to sydneycremation.ca

MC

“ I met Avery in Victoria BC
He was a great person. He was smart and he was talented. I miss him very much. I liked his personality. We were friends for nine years.

“ Avery was such a help to our family in Boularderie. He had a special relationship with our dog Tembo and they would go on adventures in the woods which usually included a visit with family and friends. Avery helped me whenever I had something that needed attention. He was always willing to sit and share a coffee and eat whatever I had on the go. I feel fortunate to have had a friendship with Avery.
